2005 Antlerless Deer Season

Selected Wildlife Management Areas and Counties Only

1. Bonafide resident landowners, their resident children, or bonafide resident tenants are not required to purchase a Class N antlerless deer hunting license for antlerless deer hunting on their own land.
2. Hunting will be limited on nine (9) WMAs and in six (6) counties, or portions thereof, to WV residents and lifetime license holders who apply for and receive a permit for the specific area. These WMAs and counties are listed in red on the front of this card. Deer regulations for WMAs other than those listed can be found in the 2005-2006 Hunting Season Regulations.
3. Application must be signed, dated, legible and complete, and received by the DNR Application Section by **August 12, 2005**. An individual's name may appear on only one application. Violation of these conditions will disqualify the applicant.
4. A separate random selection will be made by computer for each area. Each applicant will be included in the drawing for the area selected. Successful applicants will be sent an "Eligibility Card" (permit) in October 2005. This permit will indicate the WMA or county on which the applicant may hunt and provide instructions for obtaining a Class N license. Neither the permit nor the Class N license may be transferred to another person, nor may the area of hunt be changed.
5. Any hunter under 15 years of age must be accompanied by a licensed adult. To participate in the antlerless hunt, the adult also must hold a valid permit for that same area. Successful applicants hunting on one of the nine (9) WMAs and six (6) counties, which require a permit, must have a Class N license.
6. Thirty-five (35) counties, or portions thereof, will have an unlimited number of permits for resident and nonresident hunters for the 18-day season. (See the 2005-2006 Hunting Season Regulations for the list of counties.)
7. See the 2005-2006 West Virginia Hunting and Trapping Regulations (available from any West Virginia hunting and fishing license agent) or visit the West Virginia Division of Natural Resources website, www.wvdnr.gov, for further information.
8. Any person born on or after January 1, 1975, must complete an approved Hunter Education course prior to purchasing any hunting license.
